

PRECISION GOLF

# Buy a Bushnell Rangefinder from **Precision Golf** this Christmas and get a **Trackman™ Club Gapping Session** absolutely **FREE!**

**Bushnell** make the #1 Laser Rangefinders out there and what better Christmas present than a rangefinder used by over 90% of players across the PGA, LPGA, and Champions Tour?

The Bushnell Rangefinders are ideal for giving you accurate yardages when out on the course, but to make full use of one you need to know how far each club in your bag goes. The **Trackman™ Club Gapping** will enable you to get exact yardages for all your clubs so that when you're out on the course with Bushnell in hand, you'll know exactly how far away you are and exactly what club to play!
